

Medication Refill Policy

Please Initial line below.

_____ **Medication Refill Policy:**

- Refills must be received between 8:00am and 3:00pm Monday through Thursday.
- Refill requests must be received by fax from your pharmacy unless it's a narcotic. If you need a refill on your narcotic, you'll need to contact our office. Idaho Surgical typically does not refill narcotics however, it's a case-by-case discretion.
- All narcotic refills must be picked up at the office of Idaho Surgical. You'll need to bring your driver's license in order to pick up your narcotic prescription.
- Please allow 72 business hours for refills to be processed.
- It is **illegal** to drive under the influence of drugs or alcohol. **Do not** drive after you have taken a narcotic prescribed by Idaho Surgical or while under the influence of any narcotics. Please consult with your provider who wrote the prescription for each narcotic to assess when you are legal to drive.
